About Me

I have experience in web and application development, including leading a team in a Project-Based Learning project. Actively involved in campus organizations as Vice Chairman II of the Poliban Volleyball Student Activity Unit and Head of the Debate Division of the Poliban English Community. Skilled as a mentor and editor with responsibilities in product creation and evaluation, weekly training planning, and communication with both teams and clients. In addition, I have hands-on experience in store operations, customer service, and housekeeping, which strengthened my managerial, service-oriented, and detail-oriented skills.
